National University

Would you mention me for your Lord

As I am sick of loving you, Waseem

You kept believing during my nights when I was  
talking intimately with a merciful, forgiving God

You open your door, and you tap on my wrist  
You bow your head even though you are a leader

Firas, come as - - - - -

is calling with a low melodic voice

Waseem Habib

Would you mention me when you remember my

Lord
